	)	PETITION FOR INVOLUNTARY
	)	CHAPTER 11
	)	
	)	

Respondent Tesla Gray, the alleged Debtor in this proceeding, answers the  
Petition for Involuntary Chapter 11 as follows:

1. I think that it is highly outrageous for an alleged Creditor to be able to simply fill out a two page form and force me into bankruptcy.
2. I own several assets, worth many times more than what this alleged Creditor is owed.
3. A bankruptcy will ruin my good credit with my banks.
4. The Creditor who filed the Petition is a Secured Creditor with a Deed of Trust on Real Estate.
5. I, Tesla Gray, deny that Petitioners are eligible to file the petition.

1           6.     I deny that I am a person against whom an order for relief may be entered  
2                 under title 11 of the United States Code.

3           7.     I deny that I am generally not paying debts as they become due other than  
4                 debts that are the subject of a bona fide dispute.

5           8.     I deny that within 120 days prior to the filing of the Petition in this matter a  
6                 custodian was appointed to take possession of all or substantially all of my  
7                 assets.

10                   **FIRST AFFIRMATIVE DEFENSE**

11           I, Tesla Gray, allege that Petitioners fail to meet the minimum requirements in  
12           number and amount of claims for them to file a Petition for Involuntary Bankruptcy.

13                   **SECOND AFFIRMATIVE DEFENSE**

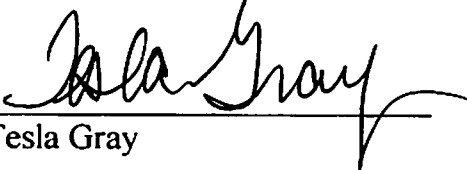

14           Petitioning creditors did not properly serve me in accordance with Bankruptcy  
15           Rule 7004 (b).

16                   **THIRD AFFIRMATIVE DEFENSE**

17           Petitioning Creditors filed the Involuntary Petition in bad faith.

18           **WHEREFORE**, I respectfully request that the Court dismiss the Petition.
